My submittal of marked up Claims 3, 4, 16 and 22 and of all the claims, transmitted to USPTO on  
2007-03-15

Dear Mr. Barfield,

2007-10-17

Seven months already passed during which no registration is made.

Due to the limited storage capacity of 1 Mb I have to transmit my 12-page letter to you in two or three batches.

Would you be so kind please to issue the notice of allowable and mail/fax/e-mail it to me?

Thank you in advance for your help.

Kind regards

Go
